Lo B

Lo B

Denver, CO

Fiery, friendly and full of fun...I'm a shapeshifter with a love for all things art. I'm a self-styled alternative girl by heart, but love the challenge of changing my appearance at will! I started as a Renaissance Faire performer for 10 years, fell in love with cosplay and conventions and then into a full-on relationship with all things modeling and self expression. When I'm not making dope art, I'm either playing too much of the Witcher, adventuring in nature, weightlifting, talking to any animal near me, or playing Dungeons and Dragons.

Measurements:

Sexiest Feature:

My squat booty for days

Lesslee King

Phoenix, AZ

I was born in NY and grew up in Portland, OR. My sports background includes Basketball, Volleyball, Track and Field, and Gymnastics.
I love swimming, boating, hiking, yoga and nurturing the ones I love.
Modeling has been a passion of mince since I was a little girl. My biggest career achievement was walking in New York Fashion Week last year in the middle of Times Square 2 weekends in a row for my birthday! I had 2 billboards, 5 commercials throughout the year and 2 magazine covers last month! Favorite foods - calamari, shrimp tacos and white chocolate covered strawberries.

The real me have a small online business that allows me to work from home. I'm a signed model and actress. I am a survivor. I'm a widow and mother of 3. I am grateful that I am blessed to be able to be successful at what I love most. God gets all the glory for my story! I'd be dead without him and blessed because of him.

Measurements:

32 - 24 - 34

Sexiest Feature:

My 5'10" height
